Summary

Detail-oriented and purpose-driven **Web Developer** with experience in building responsive, scalable, and user-focused web applications using React, Node.js, and REST APIs. Passionate about creating impactful digital experiences through clean code, analytical thinking, and collaboration. Seeking an opportunity to contribute to a forward-thinking organization that values innovation, inclusion, and excellence in digital transformation.

SKILLS

Frontend Technologies: React.js, Redux, Context API, JavaScript (ES6+), TypeScript, HTML5, CSS3, Bootstrap

Backend Technologies: Node.js, Express.js, RESTful APIs

Databases: MongoDB, MySQL

Version Control: Git, GitHub

Development Practices: Agile Methodologies (Scrum, Kanban, Jira, Notion), Async/Await, Error Handling.

Testing Frameworks: Jest, React Testing Library

Tools & Platforms: VS Code, Postman, MongoDB Compass

Soft Skills: Problem Solving, Teamwork, Collaboration, Analytical Thinking, Adaptability, Time Management, Empathy

Communication Skills: Written and Oral Communication – English, Hindi, Urdu

EXPERIENCE

SinQlarity | Web Developer Intern

Remote | Aug/2023 – Nov/2024

- Designed and developed **RESTful APIs** and integrated them with React-based frontends.
- Built **dynamic and responsive interfaces** improving user experience by 25%.
- Implemented **CRUD operations, async-await, and error handling** to enhance reliability.
- Collaborated in an **Agile team**, ensuring timely delivery and proactive issue resolution.
- Demonstrated **delivery excellence, adaptability, and analytical problem-solving** throughout development.
- Tech Stack:** React.js, Node.js, Express.js, MongoDB, Postman

Projects

Personal Portfolio Website | React.js

Jun/2024 - Present

- [Live Demo](#) | [GitHub](#)
- Designed and developed a personal portfolio website to showcase my projects, skills, and experience.
- Built with **React.js**, styled using **CSS/Styled Components**, and deployed on **Vercel**.
- Implemented responsive design, smooth navigation, and project linking.
- Continuously updated with new projects and blog content.

- [Live Demo](#) | [GitHub](#)
- Developed a full-stack quiz application with the following features
 - User registration with OTP verification and secure login
 - JWT-based authentication and authorization
 - Create quizzes and publish them as **public or private**
 - Attempt published quizzes and view results instantly
 - Change password, logout, and account deactivation options
- **Planned Future Enhancements:** Leaderboard system, quiz categories/tags, timer-based scoring, admin dashboard, and mobile responsiveness improvements.

Tic Tac Toe Game | *React.js*

May/2024

- [Live Demo](#) | [GitHub](#)
- Developed a classic **Tic Tac Toe game** using **React.js**, applying modern component-based architecture.
- Implemented features like game reset, win/draw detection, and a modal popup for match results.
- Practiced state management using **React hooks** (useState, useEffect) and conditional rendering.
- Designed a responsive and clean UI with custom styling.

EDUCATION

LBS PG College | *Bachelor of Computer Application*

Gonda, UP | 2025

Taj Inter College | *Intermediate*

Gonda, UP | 2022

Taj Inter College | *Highschool*

Gonda, UP | 2020

EDUCATION Key STRENGTHS & CORE COMPETENCIES

- Agile and collaborative mindset
- Analytical thinking and problem-solving
- Delivery excellence and attention to detail
- Strategic approach to technical challenges
- Empathetic and inclusive team player
- Effective communication (verbal and written)
- Tech-savvy with ethical and innovative mindset

ACHIVEMENTS

- Successfully deployed multiple **full-stack projects** with authentication & data integration.
- Recognized for **frontend optimization** and **problem-solving** during internship.
- Mentored peers in **debugging**, **Git version control**, and code reviews.

DECLARATION

I hereby declare that all information provided above is true and accurate to the best of my knowledge.
